QuickBox™ monteringsbrakett til mur C/C 150 mm

Roth har utviklet en ny monteringsbrakett til den velkjente QuickBox™'en som gjør det enkelt for deg som profesjonell installatør.

Monteringsbraketten passer perfekt til QuickBox™ og sikrer en riktig innbygningsdybde hver gang. Derfor kan du alltid bruke standard vinkelventiler, stoppekraner, rettnipler ol.

På bildene under ser du hvordan man enkelt bruker monteringsbraketten igjen og igjen.

QuickBox™ monteringsbrakett

Mål, L x H: 310 x 82 mm
NRF nr. 511 86 18
